Recent Activities

Halloween Hayride: Many thanks to the organizers and participants in the Halloween hayride. It was a beautiful evening, and was safe and fun. Even tractors that “died” on the hill brought no real difficulty, just more fun. Special thanks to the many of you who provided so willingly for this fun event. It couldn’t happen without you.

Snow (at last): The fall was quite dry, but the past few weeks have been very cold and snowy. The moisture is welcome, but is not kind to our roads. Please remember that the

primary purpose of snow removal is preservation of the roads itself – clearing the roads for traffic is secondary. We will discuss roads, snow removal and budget at the meeting.

Web Pages: We've moved our web site to <http://LosCerritosNM.org>. The new site has many more services and costs less than the previous site. You can find maps of the area, contact information, legal documents and photos of the neighborhood. Some of you may have web skills. Your contributions are welcome. We especially need help with the bulletin board and photo gallery. Your suggestions on how to do this better are welcome.
