

Dear Los Gerritos HOA Board, Committees and Community,

In June of this year, I sent notice I would be stepping down from the presidency after two years of service. Initially, I said I would continue on the board as president until we could have a meeting to vote on new representation. I currently work a full time job which as a healthcare worker has taken its toll during this pandemic and I am also attending school to further my degree. At this time, I need to officially step down as I am stretched thin and unable to provide the attention necessary to our community. I am grateful to the rest of the board for their hard work and dedication these last two years. Thank you.

Sincerely,

Shannon Siewert
